

How to Add More Reports to Your Account

This guide provides step-by-step instructions on how to purchase additional analysis reports (top-up) for your iSyncBrain account. By following these steps, you can instantly add more cases to your existing subscription to continue your analysis work without interruption.

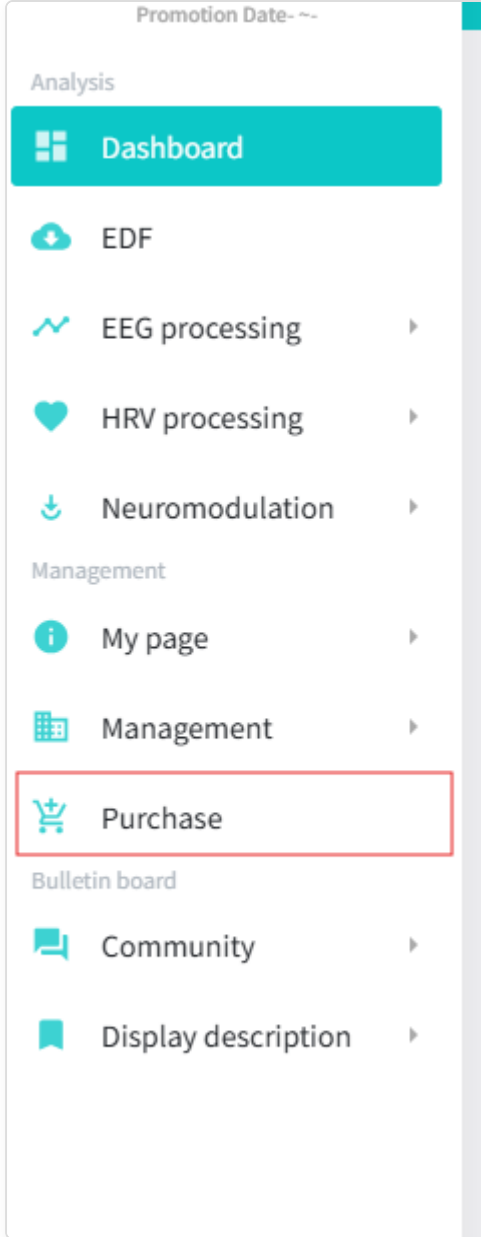

Prerequisites

Important: You must have an active **Base Subscription** purchased in order to add additional reports. The "Charge" feature is only available for accounts with a valid base plan.

Step-by-Step Guide

Step 1: Navigate to the Purchase Tab

Log in to your iSyncBrain account. On the left sidebar navigation menu, locate the **Management** section and click on the **Purchase** tab (indicated by the shopping cart icon).

Step 2 & 3: Select Base Subscription and Click "Charge"

Locate your **Base Subscription – Individual EEG Analysis** card. In the bottom right corner of the subscription card, click the **Charge** button.
